LICENSE GRANT

Subject to the complete terms, the Licensor grants a non-exclusive, non-transferable, non-sublicensable license to synchronize the identified track as supporting background music in a Creator Work.

YOU MAY - Monetized or non-monetized videos, livestreams, podcasts, and creator content with unlimited views or streams. - A work first published while Flow Pro was active remains licensed after ordinary cancellation.	YOU MAY NOT - No standalone redistribution, resale, transfer, sublicensing, remixing, or DSP upload. - No registration of the track or music fingerprint in Content ID or a similar rights-management system.
